

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

fee for such special services shall be charged to the householder or other person to whom regular removals are charged.

3. Removals shall be made between the hours of 11 p. m. and 7 a. m. from October 1 to April 30, and between 12 midnight and 7 a. m. for the remainder of the year.

4. Night soil shall be removed in carts or wagons provided with water-tight metal bodies or with water-tight metal-lined bodies and shall have tight metal covers. The vehicles shall be so constructed as to facilitate cleaning, and they shall be washed immediately after using and shall be kept at all times in an inoffensive and sanitary condition.

5. All night soil shall be removed from the city and buried in an inoffensive manner, but the city reserves the right to require that it be flushed into certain sewers which it may designate.

6. Whenever a privy box is replaced by a new one the old one shall be removed from the city and burned.

7. Scavengers shall cause no nuisance. They shall especially avoid spilling night soil on the streets, alleys, or roads or on any private or public property.

8. The scavengers shall notify the health department promptly of any insanitary conditions which come to their notice in or about any privy, and especially shall report all privies which are not provided with water-tight and fly-proof receptacles for night soil.

9. These rules are subject to reasonable amendments.

#### **ROCHESTER, N. Y.**

#### **Common Towels and Common Drinking Cups—Use of, in Public Places Prohibited. (Ord. Mar. 12, 1912.)**

SECTION 1. Section 9 of the health ordinance, as heretofore amended, is further amended by adding thereto a new subdivision, to be known as subdivision (j) and to read as follows:

"(j) A towel kept for use, arranged or intended to be used by more than one person, shall not be placed, maintained, or kept in a washroom, toilet room, or lavatory which is maintained in or in connection with a municipal building, a school, or when patrons or customers are admitted to the same, in or in connection with a place of public resort, public accommodation, or public trade.

"A cup or receptacle for drinking water kept for use, arranged or intended to be used in common, shall not be placed, maintained, or kept in a public place, municipal building, school, or when patrons or customers have access to the same, in a place of public resort, public accommodation, or public trade."

#### **ROCKFORD, ILL.**

#### **Milk and Milk Products—Production, Care, and Sale. (Ord. May 3, 1912.)**

SECTION 1. It shall be unlawful for any person, firm, or corporation to sell, offer for sale or delivery, within the limits of the city of Rockford, Ill., any milk or cream without first having obtained a license therefor from the clerk of said city of Rockford, as hereinafter provided.

SEC. 2. The clerk of said city shall, upon application made in writing, setting forth:

1. The name, residence, post-office address, and the exact location of the dairy of applicant.

2. The approximate number of cows from which milk or cream is obtained for sale or delivery or controlled by the applicant.

3. If the applicant does not keep cows, then the source or sources from which he obtains milk or cream for sale or delivery should be given as outlined in "1" and "2" above.

4. Said applicant shall also present the consent in writing from each person from whom he obtains milk or cream granting permission to the commissioner of health of the city of Rockford, or his authorized representative, free and open access to his or
